Anthony De Sapio, Jr.

De Sapio Construction is now hiring Entry Level field positions

De Sapio Construction Inc. has been involved in the commercial construction industry for over 70 years. A large portion of our work involves sites where smoking is prohibited on the site and may require the applicant to pass a background check. The job will be physically demanding and the Applicant should be in good physical condition. If hired the applicant will work in the following areas of General Construction.

- Interior Demolition
- Site work
- Concrete work
- Masonry Work
- Wood Framing
- Metal Studs and Drywall
- Interior commercial doors and hardware.
- Acoustical Ceilings
- Interior Painting
- Instruct and License the applicant in the use of Aerial and Scissor Lifts
- Instruct and License the applicant in the use of Lull Forklift.
